# 4 Miscellaneous

## 4.1 Escalation Procedures and Dispute Resolution

Prior to the start of the project, each party will designate a primary contact. In the event that any disputes arise that are within the scope of this SOW, such contacts must be notified in writing immediately. Thereupon, the parties shall confer in good faith to resolve the problem or issue. If the parties are unable to mutually agree on a resolution within a reasonable time, either party may (1) suspend the project pending the resolution of the problem or issues, or (2) terminate this SOW. In the event of such termination, all amounts due for services rendered by Actian up to the date of termination will immediately become due and payable.

### 4.2 Change Control Process

Any changes to an SOW, project schedule, or the specifications, including any increases to hours which exceed the estimates listed herein, can only be made by a Change Request Form (the "Form") signed by both Actian and Client, in accordance with this section. Any parts of the project schedule, specifications, or SOW that are not explicitly mentioned in the Form are not changed.

Any changes to the project scope or any of the other terms and conditions of this SOW will be administered through the project change control procedure as described herein. When a need for a change to the project is identified, the Actian Consultant/Engagement Manager will complete a Form. This Form will describe Actian's understanding of the requested change, the impact that the change has on the current project, and the estimated resources and time required to implement the change.

The Form will set forth the fee due to Actian for such change (if applicable). The Actian Consultant/Engagement Manager will submit the completed Form to the Client Representative for review and approval. Estimates provided to the Client will remain valid for a period of five (5) business days from the date of submission.

If the Client does not approve the change estimate within the five (5) business days, and Actian has not extended the approval period in writing, the change estimate will automatically expire. Following receipt of the Client's written approval and Actian's acceptance, the Actian consultant/team will begin work on the requested change according to the agreed upon schedule.

Due to the complexity of some project change requests, the Client may be charged for the time required to scope and estimate the requested change. The Actian Consultant/Engagement Manager will advise the Client of the estimate, if a charge will apply.

The professional services and any associated deliverables are provided to Client in a non-transferable. nonexclusive, world-wide and royalty free license upon payment in full for all fees and related expenses due Actian hereunder. Notwithstanding the foregoing, Actian products and support services are not licensed hereunder, and Client must have a separate written agreement with Actian for the products or support services for which Actian will provide the professional services hereunder.

**WARRANTY** Actian warrants that it has the right to provide the services offered under these Terms and Conditions and any applicable SOW and that such services will be performed with reasonable skill and care by personnel with appropriate skills and experience. In the event of a breach of warranty, Client's sole and exclusive remedy shall be the reperformance of the services, or if Actian fails to re-perform as warranted, upon Client's return of any affected deliverables Actian shall refund the portion of the fees paid for the deficient services. APART FROM ANY TERM, CONDITION OR WARRANTY IMPLIED BY STATUTE WHICH CANNOT BE EXCLUDED, RESTRICTED OR MODIFIED BY AGREEMENT AND ANY WARRANTY EXPRESSLY SET FORTH HEREIN, ACTIAN MAKES NO WARRANTIES IN RELATION TO THE SERVICES, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, SATISFACTORY QUALITY, NON-INFRINGEMENT OR OF FITNESS FOR A PARTICULAR PURPOSE.

**LIMITATION OF LIABILITIES** Actian does not exclude or limit its liability to the Client for death or personal injury caused by any negligent act or omission or willful misconduct of Actian or its employees.

Subject always to this Limitation of Liability clause, the aggregate liability of Actian for actual damages for any cause whatsoever whether in contract, tort (including negligence), breach of statutory duty or otherwise, shall be limited to 125% of the fees paid to Actian for the Services upon which the damages were based.

In no event shall Actian be liable to the Client for indirect, special or consequential damages, loss, loss of profits, loss of revenues, or loss of business opportunity howsoever arising, even if Actian has been advised of or should have known of the possibility of such damages or loss.

**WORK FACILITIES** Client shall make available to Actian Client personnel, office space, computer resources, materials, facilities and other support as reasonably required and agreed between the parties, to permit Actian to perform the Services. All services are deemed accepted upon delivery, except as otherwise expressly stated in an SOW. Client understands that it has the right to acquire the professional services independent of Actian's commercial software licenses. If any such commercial license software is migrated, converted or upgraded, the prior commercial license is deemed automatically terminated and Client no longer has the right to use such terminated licenses.

**FORCE MAJEURE.** Other than payment obligations, a party will not be liable for non-performance caused by events beyond its control, if the party makes reasonable efforts to perform.

**NON-SOLICITATION.** During the term hereof, and for a period of one (1) year immediately following its expiration or termination, neither party shall solicit, directly or indirectly, any employee of the other party (or any of its affiliates) who was involved in providing services under an applicable SOW.

ENTIRE AGREEMENT. The applicable SOWs and these Terms and Conditions constitute the entire agreement between the parties and supersede all prior agreements or representations, oral or written relating to the subject matter hereof. Each party agrees that the use of preprinted forms such as purchase orders is for convenience only and all pre-printed terms and conditions set forth thereon are void and of no effect. These Terms and Conditions shall expire at the end of the term of the applicable SOW, unless earlier terminated by either party at any time following material breach by the other and failure to cure such breach within 30 days of written notice thereof. Except for the section entitled WORK FACILITIES, the remainder of these Terms and Conditions shall survive the expiration or earlier termination of these Terms and Conditions. Nothing in this clause or elsewhere in these Terms and Conditions is intended to prevent a party taking action in respect of precontractual misrepresentations made fraudulently, if any, upon which the party relied. These Terms and Conditions and any SOW may not be modified or any term or condition waived except in writing signed by a duly authorized representative of each party. Neither these Terms and Conditions nor any right or obligation hereunder or in an SOW may be assigned by Client without Actian's prior written consent. The provisions of these Terms and Conditions and applicable SOWs shall be binding upon and inure to the benefit of the parties, their successors, and permitted assigns.

Actian assumes no responsibility or liability for any failure by Client to obtain any necessary export approvals. Specifically, no Actian product or Work Product may be exported to embargoed or otherwise restricted countries or end-users.
